des infirmières(iers)
en nursing
cardiovasculaire**

Did you Write or Renew your CNA Certification in Cardiovascular Nursing in 2017?

Tell us why you chose to write or renew your CNA certification in Cardiovascular Nursing. We will compile your comments for our journal (CJCN) in hopes of inspiring others to take the courageous step that you have taken.

Your voice is important to us. Tell us "Why you chose to be certified in Cardiovascular Nursing", and we will enter your name into a random draw for a \$250.00 dollar bursary.

There are three prizes available - two for CCCN members who wrote the certification exam and one for members who renewed their certification in 2017.

These prizes have been made possible through an Educational Grant generously provided by MIP Inc. (www.mipinc.com).

Please include the following in your email:

- Your first and last name
- Type of certification: Initial/Renewed
- Why you chose to be certified in Cardiovascular Nursing

Send your message to kathryn@cccn.ca by February 9th, 2018
